

SPONSORSHIP OPPORTUNITY: BCI 2015 MEMBERS' MEETING

JUNE 9 & 10, 2015 ISTANBUL, TURKEY

What is the 2015 BCI Members' Meeting?

In June 2015, BCI will host the annual member meeting in beautiful Istanbul, Turkey. BCI Members from the entire cotton supply chain will gather to learn, network and advance their Better Cotton procurement. Attendees will leave inspired by fellow members and Better Cotton farmers from around the world. It is clear that taking on the challenge of our global mission requires a joint effort, leadership and continuous improvement. It is the BCI members, who lead and drive this change in transforming the way cotton is produced worldwide.

We are in our fifth Better Cotton Season and want to take this opportunity to celebrate, and recognise the achievements of all of us to get here. The BCI community has proven that growth and transformation are possible for a sustainable commodity. We've all worked hard to overcome challenges to date and will continue to do so. We are uniquely poised to mainstream by 2020.

Why Sponsor?

In order to host this annual meeting, BCI is requesting support from members who are interested in helping BCI celebrate the organization's accomplishments of the past five years, while creating visibility opportunities for your companies and organisations. The sponsorship funds offset the event costs, keeping the meeting financially feasible to all BCI members and allow BCI to continue investing membership funds at the field-level.

Through a sponsorship, your company/organisation will have a highly visible opportunity to demonstrate your commitment to sustainability, connect with a desirable audience, and be recognized as a leading practitioner of innovative, efficient and effective sustainability practices.

Sponsorship Opportunity

Different levels of sponsorship with varying benefits are available for your consideration.

Sponsorship Level	Cost (in EUR)	Visibility	Number Available
Celebration Dinner * Sponsor	€ 20,000	*This dinner is dependent on sponsorship + optional attendee fees.
