LOCATION

(Address of the venue)

*Check-In *(special requirements if any)*

WHY ATTEND?

BCI's aim is to facilitate a meaningful discussion about your successes and challenges of sourcing Better Cotton, both inside and outside of your company.

This training is intended to inform the attendees of BCI's chain of custody and traceability requirements and how these tools could be used to source Better Cotton for your customers.

RSVP required with:

(Your BCI Contact here)

WHO SHOULD ATTEND?

This is a closed-door meeting for suppliers and manufacturers. Attendees should include raw material buyers (lint cotton, yarns, and fabrics) and suppliers' account managers for retailers and brands.
